15th June 2020

Dear Parent / Carer,

This year, the Youth Sport Trust has teamed up with Sky Sports to run a national campaign which will aim to unite the country - families, schools, sport and businesses - in a celebration of the power of sport to bring people together, even during isolation. The UK-wide campaign will challenge people to take on their families, friends and neighbours in virtual sporting challenges – helping them to connect in an unprecedented period of school closures and social distancing. The campaign takes place between **Saturday 20th June and Friday 26th June**.

It will be supercharged by Sky Sports who will be helping to inspire families across the country to take part. The campaign builds on the Youth Sport Trust's **#StayHomeStayActive campaign** which has been supporting schools, parents and young people with daily free resources to get young people moving and enjoying the PE curriculum while at home.

How it works

From Saturday 20th June, a parents' guide and activities will be provided on the PE Sway which can be found on the school's website in the Home Learning section. The active challenges will all have an emphasis on togetherness, inclusivity and wellbeing. They will be things you can do within the home, and where you can engage in straightforward virtual competition with friends, neighbours and family outside your home. Here is the link below

<https://www.youthsporttrust.org/national-school-sport-week-home>

We would love to see any photos or videos of your challenges and we would like to celebrate these through Facebook, Instagram and Twitter so please do send any to us. This is a great opportunity for our children to get motivated and ensure they are engaging with regular physical activity.

If you have any questions, my email address is: matt.lyttle@beaconviewprimary.co.uk

Yours Sincerely

Mr Lyttle

Physical Education Leader
