

**Beacon View Primary Academy**  
The best in everyone™  
Part of United Learning

**Class name:** Defender Class

**Year group:** Year 5

**All about me!**

My name is Miss Moore and I am going to be your teacher this year. Some of you will know me already as I was your teacher in Year 3. I am looking forward to getting to know you all and to get stuck into lots of new learning!

I love teaching all of the curriculum. However, my favourite subjects are History, PE and English. I even studied English at University! I am very passionate about all children learning to read and finding books which interest them.

Outside of work, I enjoy spending time with my family, especially my nephews Leon and Isaac. I also enjoy running and seeing friends whilst visiting new places.

**All about me!**

My name is Mrs Tyler and I am going to be your teaching assistant this year. I have worked at Beacon View for a very long time. I started in 2001! My favourite subject is Maths as I enjoy working out calculations. I have 3 grown up children and 4 grandchildren. In my spare time, I enjoy socialising with my friends and family. I am looking forward to getting to know you all and helping you with your learning.

**This will be our classroom**

**Things we will be learning about next term:**

**English:** In English, we will be learning how to create vivid images for the reader using 'show, don't tell' techniques. We will be learning about the ways in which we can maximise the desired effect on the reader through vocabulary and grammar choices.

**Reading:** Our author of term is Polly Ho Yen. We will be reading one of her books as a class book.

**Maths:** In maths, we will begin the term by looking at place value. There will be lots of opportunities for you to practise what we learnt in year 4 and extend our learning.

**Science:** In science, we will be doing chemistry – the properties of materials.

**History:** In history, we will be learning about Ancient Rome and how the empire changed over time.

**Art:** In art, we will be creating a collage in the style of a Roman mosaic.

**PSHE:** Our PSHE focus is 'how to keep ourselves healthy'. We will discuss the importance of taking care of mental health as well as our physical health.

**Computing:** Our computing focus for this half term will be E-Safety and key skills in order to access online learning if needed.

This is when you will start in Defender Class:

2021 SEPTEMBER						
SUN	MON	TUE	WED	THU	FRI	SAT
			1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30		

**We can't wait for you to be in Defender class!**
