

**Class name: Gunwharf Class**

**Year group: 1**

**My name is Mr Foster.**

At school, I particularly enjoy teaching maths and reading. My favourite subjects are history and P.E, as I love learning about the past and keeping active. In my spare time, I spend a lot of time playing sports such as golf, football and boxing. I also love to spend free time playing music; I play lots of different instruments like the guitar and mandolin.

**My name is Mrs Stanley.**

At school, I really enjoy teaching phonics and English. My favourite subject is Spanish, which I teach to KS2. In my spare time, I love watching Disney films, going for walks along the beach and spending time with my friends and family. I love horse riding and like all types of music - so we will always find time to have lots of fun in our class. My favourite animals are giraffes and I enjoy watching nature shows to find out more about our planet and the animals that live here.

**My name is Mrs Jerams.**

At school, I am passionate about teaching phonics. In my spare time, I love relaxing at spas and having facials. My favourite thing to do is to spend time with my children. We go love going to theme parks and going on rollercoasters! My favourite animals are monkeys because they are funny to watch at Chessington!

This will be our classroom

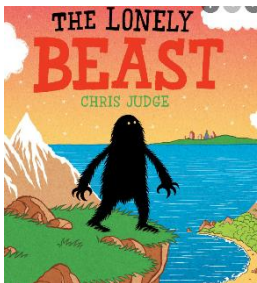

Things we will be learning about next term:

Plants

Family history

The lonely beast
