

Weekly Newsletter

11th May 2020

Dear parents and carers,

Welcome to our second weekly newsletter. There is lots of great work going on at home at the moment and we are so proud of all of our children and families. Thank you for your support and engagement. This second weekly newsletter contains our next set of Stars of the Week. Each teacher has chosen one child from their class who has been working incredibly hard at home. Please help us to choose the Stars of the Week by continuing to share your child's learning at home with their class teacher.

If you haven't seen it already, please check out our new Facebook page by searching for 'the new Beacon View'. We hope you are all staying safe and hope to see you all again soon.

Best wishes,

Mrs Mitchell, Mr Hartley and everyone at BV.
