

Beacon View Primary Sport Premium Funding 2018-2019

This additional funding has been made available directly to schools to improve the provision of Physical Education (PE) and Sport for all children. Schools have the freedom to determine how best to use this funding to improve the quality and breadth of PE and sport and in turn enhance participation level and attainment.

At Beacon View we have been allocated approximately £18,930 for the academic year 2018-2019. This money will be used to enhance and broaden our PE provision, making it exciting for all children and encouraging lifelong participation in sport and physical activity.

Aims for funding:

- To engagement of all pupils in regular physical activity.
- The profile of PE and sport being raised across the school as a tool for whole school improvement.
- Increased knowledge, skills and confidence in staff teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

How the funding will be used	Impact	Cost
