

Online Learning: A Guide for Parents/Carers of EYFS (Reception Year)

The screenshot shows the website's navigation and content. At the top, a red banner reads "LEARNING FROM HOME". Below it, there is a search bar with "Select Language" and a dropdown arrow, followed by the phone number "023 9237 5302" and email "school@beaconviewprimary.co.uk". There are also icons for "MISS SCHOOL MISS OUT", "CLICK CEOP", and "ParentPay". A dark blue navigation bar contains "ews", "Calendar", and "Local Offer". Below this is a light blue banner with the text "Hear what the students say..." and a small "mv" logo. A red banner below that contains "COVID-19 Update" and "LEARNING FROM HOME". The main content area features the Beacon View Primary Academy logo and tagline "The best in everyone". Below the logo is a navigation menu with "Home", "About Us", "Our Curriculum", "Pupils' Pages", "Parents' Pages", "News", "Calendar", and "Local Offer". The email "Year4@beaconviewprimary.co.uk" is displayed. A message from Mrs Mitchell says: "We send all of our best wishes to our families and hope to see you all again very soon!". At the bottom, there is a blue grid with the following content:

EYFS	Year 1	Year 2
Year 3	Year 4	Year 5
Year 6	Phonics	Story Telling

Online Learning: An Introduction

Welcome to online home learning for pupils in Reception (EYFS) at Beacon View Primary Academy. Now that many of our pupils are isolating and we are abiding by the Government's requests to stay at home, we have looked at how we can continue to support your child with not only their academic learning, but their social and emotional development at this time.

For pupils in Reception (EYFS), a weekly Sway will be published on the school website. In this Sway, the children will receive a weekly message as well as Maths, English, Reading and other curriculum activities. For any children who do not have access to the online materials, alternative provision will be provided in the form of paper packs that you can collect from the school once a week. Further details about these will come out soon to those families who have told us their children cannot access the internet at home.

We hope that by taking this personalised approach to your child's learning, we will continue to support them in being the best that they can be.

Keep smiling and stay safe,

Mrs Harrington, Mrs Nye and Miss Barron.

Online Learning: In Summary

Where can my child access their home learning activities?

By visiting the Home Learning section of the school website.

When will they be available?

Easter-related Sways with activities will be uploaded on Friday (3.4.2020) and then weekly Maths and English Sways will be uploaded in the Home Learning section of the school website on a Monday morning (from 20.4.2020).

How will the materials be produced and shared?

The Reception teachers will produce learning activities for your child based on the curriculum they have covered this year and the needs of your child. These will then be added to a weekly Sway, uploaded and shared by a member of the Reception Team.

Tracy Nye – tracy.nye@beaconviewprimary.co.uk

Using Sway from the School Website

On a Monday, all of your child's work for the week will be added to a Sway and published on the school website.

This Sway will not require your child or yourself to log in to view it and it might be something you or they wish to use to help recap their learning journey during this period when we are not at school.

Each section, will take your child to their different subject learning areas and activities.

We will also use the Sways to celebrate achievements or pieces of work throughout the week so please do continue to share your child's achievements (both academic and social) on Tapestry with us so that we can celebrate their successes.

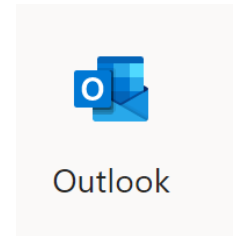

Completing and Submitting Work

There are many ways and functions for your child to complete and submit their work via the Sway, however for now we are asking them to use these options below. It is not expected for your child to send their work to their teacher, however the teachers are more than happy to answer any questions and support your child's learning where they can. Work will not be marked however where possible, answers will be shared to allow your child to self assess their own learning and use the reflective skills we've developed in class.

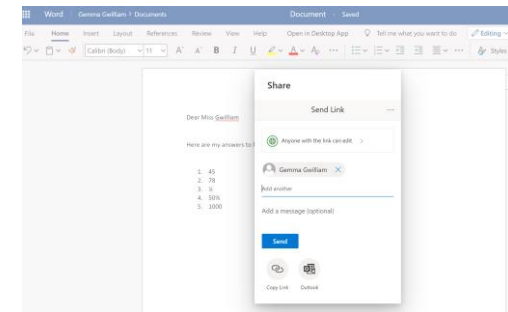

Option 1: Completing Offline

- ✓ Viewing the work online
- ✓ Write the answers on paper
- ✓ Photograph the answers and share with your child's class teacher by email or Tapestry.

Option 2: Completing and Submitting by Email

- ✓ Children can send their answers by writing an email to their class teacher

Option 3: Completing Online

- ✓ If your child has access to Word or the One Drive Apps, they can complete their work online and then share directly with their teacher (more guides for this option will be created soon).

Other Online Learning Options

As well as having learning activities shared for each Year Group through their Sway, there are other sites where work has been set up for the children to access.

These are checked regularly by your child's teacher.

	Years 3 and 4
Reading	Bug Club https://www.activelearnprimary.co.uk/login?c=0 (Or search Bug Club Login) Username: first 4 letters of first name then surname e.g. Siobhan Campbell = siobcamp Password - beacon School code - j9s3
Maths games	Top Marks Go to: www.topmarks.co.uk No login required. A range of maths games are available and free to use. Activities include: Counting games, Matching numeral to quantity, Number bonds, Patterns, Number ordering, Shapes and much more.
Phonics	Phonics Lessons Phonics lesson are available on our school website in the Home Learning Section. https://www.beaconviewprimary.co.uk/learning-from-home/phonics
Story Telling	Staff have recorded themselves reading stories for the children to watch and listen to. Stories are available on our school website in the Home Learning Section. https://www.beaconviewprimary.co.uk/learning-from-home/story-telling
