

Class name: Talent

Year group: 4

All about me!

Hi and welcome to Year 4!

My name is Miss Doherty and I am very excited to be your teacher in September.

I'm thrilled to give you as many opportunities as possible to learn about the world and develop the 21st century skills you need for today, tomorrow and the future. I love all learning; my favourite subjects are English and PE. In my spare time, I enjoy playing badminton and reading books. When I was younger, I participated in many badminton competitions. We won several competitions! When it is safe to do so, I love to travel. During the summer holidays, I have travelled to Asia, China, Australia, Europe and America. My favourite trip was Australia. My friends and I drove from Melbourne to Darwin in three weeks. Each night we camped out in the bush. I saw some incredible things like the Milky Way! I look forward to meeting you and hearing all about you.

Hello my name is Miss Dowden-Smith and I am so excited to be a part of Beacon View. More importantly, I am thrilled to be teaching you in September. It is going to be a fun year full of lots of learning and new adventures. I can't wait to find out lots of things about each and every one of you but, first, I am going to tell you a few things about me.

I have been teaching year 4 this year at another school and I have thoroughly enjoyed it. I have heard what an amazing class you are so I am delighted to be your teacher. I enjoy taking long walks with my dog in the countryside. My favourite colour is yellow and I love to spend time with my family. I also love to read so I can't wait to hear about your book recommendations. I hope you have a wonderful summer and I look forward to welcoming you back in September.

Hello Year 4! My name is Miss Mayhead and I can't wait to be working with you all again as well as get to know some children who I haven't worked with yet. I like to see happy, smiley faces and enjoy hearing other people's life stories, so make sure you come and speak to me about your adventures! My favourite subject is Art because I enjoy being creative and imaginative. I also love to hear children read as well as watching them grow and develop new skills. In my spare time, I enjoy spending time with my family and taking part in sports events as I believe everyone is stronger when they work as a team.

I look forward to seeing you all when you come back in September!

This will be our classroom:

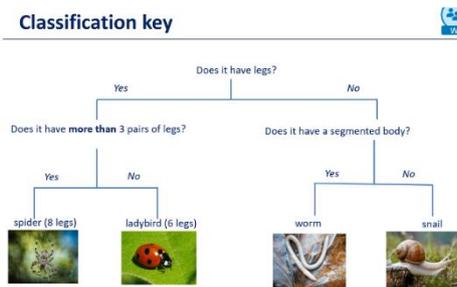

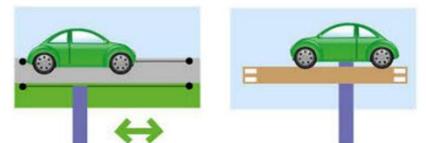

Things we will be learning about next term:

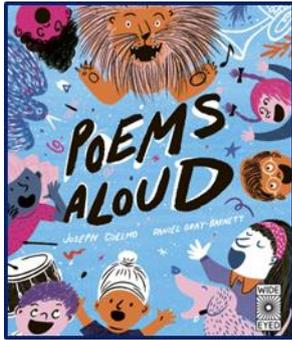

Brazil

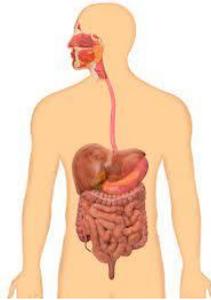

Living things and their habitats

Mechanisms

Poetry

Digestion

Ancient Maya

This is when you will start in Talent Class:

We can't wait for you to join our class!
