

Class name: Vanguard

Year group: 5

All about me!

Hello, my name is Mrs McAvery and I will be your class teacher in September. I am looking forward to meeting you and getting to know you.

My favourite thing to teach is anything to do with design and making things. I really enjoy STEAM (science, technology, engineering, art and math) lessons. I hope you will enjoy them and all your other lessons too.

I have 2 grown up children and 2 grandsons who I love to spend time with by going out on woodland walks and, of course, making things with them. I also love to read and I am hoping to get lots of reading in over the summer and then share the books I have read with you. This was very popular with my current class this year.

Enjoy your summer and we will see you in September when we start our learning journey together.

All about me!

My name is Mrs Smith and I will be working with you next year in Year 5. I am very excited to see you all and help you with your learning.

My favourite lessons are Maths and History.

I have 2 children, who are all grown up, and a dog called Finlay (who I will talk about all the time!).

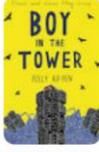

I enjoy spending lots of time with my friends and family - meeting up and going on trips out.

I hope you have a great summer and I can't wait to see you all next year! It's going to be fun!

This will be our classroom

Things we will be learning about next term:

<p style="text-align: center;">English</p> <p>In English, we will be learning how to create vivid images for the reader using 'show, don't tell' techniques. We will be learning about the ways in which we can maximise the desired effect on the reader through vocabulary and grammar choices.</p>	<p style="text-align: center;">Reading</p> <p>Our author of term is Polly Ho Yen. We will be reading one of her books as a class book.</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;">  Boy in the Tower <small>2014</small> </div> <div style="text-align: center;">  Where Monsters Lie <small>2016</small> </div> <div style="text-align: center;">  Fly Me Home <small>2017</small> </div> <div style="text-align: center;">  Dark Lullaby <small>2021</small> </div> </div>
<p style="text-align: center;">Maths</p> <p>In maths, we will begin the term by looking at place value. There will be lots of opportunities for you to practise what we learnt in year 4 and extend our learning.</p>	<p style="text-align: center;">Science</p> <p>In science, we will be doing chemistry – the properties of materials.</p>
<p style="text-align: center;">History</p> <p>In history, we will be learning about Ancient Rome and how the empire changed over time.</p>	<p style="text-align: center;">Art</p> <p>In art, we will be we will be creating a collage in the style of a Roman mosaic.</p>
<p style="text-align: center;">PSHE</p> <p>Our PSHE focus is 'how to keep ourselves healthy'. We will discuss the importance of taking care of mental health, as well as our physical health.</p>	<p style="text-align: center;">Computing</p> <p>Our computing focus for this half term will be E-Safety and key skills in order to access online learning if needed.</p>

This is when you will start in Vanguard class:

We can't wait for you to be in Vanguard class!
