Dear Mrs. Hodgson

I am writing following the publication of the inspection report for your last section 5 inspection. Although your school was judged to require improvement overall, I was pleased to see that your leadership and management were judged to be good.

I am delighted to read about the improvements that you have made in many areas of the school. It is clear from the report that you are having a positive impact on pupils' personal development and behaviour. It is reassuring that these areas are good. This means that pupils at Beacon View Primary Academy are well placed to get the best from their learning. Furthermore, it is also encouraging that you have identified accurately what needs to be done next and have started to make improvements to the quality of education.

I know that you and your team will be continuing your good work. I hope this will be reflected in your next inspection outcome, probably in two years' time or so.

In the meantime, I have asked Matthew Purves, Regional Director for the South East, and his Senior HMI to be available if you wish to discuss your progress.

Yours sincerely

Amanda Spielman
