

Beacon View Primary News

Dear Beacon View Families

Welcome to the penultimate newsletter for this school year. Earlier today you will have received an electronic copy of your child's report for the end of this school year—EYFS reports will come out next week. Year 6 have also brought home a copy of their SATs results. We are so proud of what the children have achieved and how hard they have worked to demonstrate their learning across this and previous years.

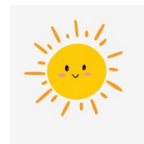

Next Wednesday after school, there is an opportunity for you to meet with your child's class teacher if you would like to discuss their report in more depth. If you would like an appointment please speak to your child's teacher at the end of school on Monday or Tuesday next week, or alternatively send a note in with your child and the teacher will get in touch to arrange an appointment.

Have a lovely weekend, enjoy the football if you are watching on Sunday evening. Regardless of the outcome we will see you on Monday at 08:40am for the final full week of term. Please remember children finish on Tuesday 23rd July at 1.30 pm (there is no wraparound afterschool club on this day).

Kind regard
Sally

Summer Activities by Portsmouth Cluster

We are excited to be able to continue a large number of our community groups throughout the Summer and to be able to offer some additional family days (one at each of the sites) this Summer with support of the amazing Vikki. Please do get involved in these activities and enjoy

Access in September

A heads up for returning in September. We have everything crossed that work on the playground and car park at the front of school will have started by the time we return in September. Therefore we are currently finalising plans for access to school for families and staff.

In September there will be two access points at the start and end of the day, these will be through Marsden Road entrance and via the gate, halfway along the alley between Allaway Avenue and Cheltenham Road. There will be no access via Cheltenham Road as this will be the staff car park and to keep everyone safe we want to keep pedestrians away from this area. We will send out a newsletter shortly before the new term

School Trips next year

We are really pleased to be returning to taking every year group on at least one trip next year. We are currently planning these and will be writing to you as part of the final newsletter of the year to let you know what these trips are and how much they will be, we will also be putting them up on Arbor so that you can begin paying for them as soon as you wish to. A huge thank you to the staff who have been working in the background to get as many of these trips fully or partially funded to ensure that everyone is able to access them, we will be asking for parental contributions towards the cost and hope that between us we will be able to ensure they all go ahead. As always, if you have a concern about the money, please talk to us. We hope that letting you know all of them before the end of term will help.

Taylor Shaw Price Increase

From September Taylor Shaw have increased their lunch prices to **£2.52** Thank you for your continued support.

HAF cancellation

Over the last year we have been able to offer a HAF funded Forest School and Boot Camp holiday club, this has both free places (through the funding) and paid places. Unfortunately we have been unable to get enough sign up this Summer to be able to run our club this time and have had to take the difficult decision to cancel it. It will be back, hopefully, later in the year so please watch this space.
