

# Beacon View Primary News

Dear Beacon View Families

I am writing this message whilst Miss Williams is reading a bed time story to the Year 5 children on residential. Everyone has been amazing and it has been a privilege to support the children through this adventure. Tonight we caught 33 crabs, along with shrimps, little eels and a sea cucumber. We are very grateful for the partnership we have with UKSA and that they are able to support us to make this trip possible at such a reduced price.

The first week back at school has been good. There is lots to look forward to this term with Sports Days, a school family event to celebrate the official opening of the playground and the school (only 5 years after we moved in, an event massively delayed by COVID) and so much more.

Thank you for ensuring that our children are in school every day to be part of all the activities that are going on.

Have a great weekend and a restful one, especially those children and adults who have been on residential.

See you all on Monday at twenty to nine.

Kind regards  
Sally Hodgson
