

Beacon View Primary News

Dear Beacon View Families

It is crazy to think that we have less than two weeks to go until the end of this term. Thank you to everyone who has supported our fundraising for Comic Relief today, it is much appreciated. We are really pleased with the way the children have responded to the reset room and have included in this issue a few pictures of the room in case you want to have a look. Please remember that children are only in the space for a short period of time, usually between 5 and 15 minutes, to help them to reset and regulate so that they are ready to return to class and learn along side their peers with little or no disruption to learning. We also complete sheets with the children to identify better choices they can make to ensure they don't need to use the reset room again. Thank you to everyone for supporting our children to reach disruption free learning.

Have a lovely weekend and we look forward to seeing you on Monday morning at 08.40 am to do it all again.

Kind regards
Sally

Smoking/Vaping before and after school

Please can we ask any adults who are vaping or smoking to do this as far away from the gates as possible so that adults and children don't have to walk through the smoke as they come through the school gates. Thank you for your consideration of others.

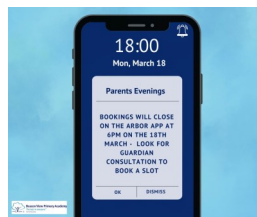

Very Important Person/People

As per our recent email, instead of celebrating Mother's and Father's Day this year, we have been challenged by one of our Year 6 children to think about how we celebrate that the families of our school take all kinds of forms and ensure that we reflect the diverse nature of our society today. Therefore on Thursday 23rd May 2024, we will be making something with the children for VIP day (Very Important Person/People Day) – they can make this for the people who care for them regardless of who that is. I love that our children are thinking about how we include everyone in our school family in special days and hope you will support this celebration.

Parents Evening

Please ensure you have booked your parents/carers evening appointment using arbor for the last week of term. If you need any help, please let us know.

Year 5 Sailing Residential

We are looking forward to the residential next week and will send out one final email with reminders on Monday ahead of going on Wednesday. Please send the children with older clothes that are clearly marked with their name so that we can return them on Friday with as many of their clothes as possible.

Attendance Statistics

We aim for all children to be in school every day. Each week a certificate for the best class attendance will be given out.

Congratulations to Garrison Class who achieved 99.2%

Parent and Community Code of Conduct

Working with our governors and the newly formed, School Family Advisory Group, we have produced a code of conduct for all adults who are involved with Beacon View. Please make yourselves familiar with it's content and remember that all of us have a role to play in demonstrating high expectations to our children. Thank you for holding this in mind.

WHO FOR?

**GIRLS ONLY
AGES 8-11/12-16
FREE SESSION**

GIRLS FOOTBALL

**KING GEORGE V FOOTBALL COMPLEX,
COSHAM, PO6 3FZ
MONDAY(S) | 5-6PM**

TURN UP & PLAY

@POMPEYITC | PLKICKS@POMPEYITC.ORG.UK

Wednesday 20th March—Friday 22nd March
(Full balance due by Friday 8th March)

INSET days

Thursday 28th March
Monday 15th April

Easter Holidays

Friday 29th March—16th April

Bank Holiday

Monday 6th May

We place our children at the heart of all we do and pride ourselves on knowing each child individually and appreciating what makes each individual unique.

We are fully committed to ensuring that every child achieves their best and we have a fantastic team of wider pastoral staff that work hard to support our families. We take a child-led learning approach with 'Playing to Learn'. The classrooms are set up to provide children access to all areas of learning during their Play to Learn time. This enables children to apply the skills they have been taught by an adult independently. We believe that this is when children learn most effectively.

Spaces available for children aged 3 - 4 years with 15 or 30 hours free childcare
