

Spanish Day

The children loved making sangria! They had to ask for the fruit they needed in Spanish. Jess and Louisa were there to help them if they got stuck.

Friday 14th June was Spanish Day at Beacon View. A group of Year 10 children from Castle View came into school to become our Language Leaders. They helped the children to practice their Spanish in a variety of different activities.

The children in Year 6 serenaded us with their favourite song they have learnt in Spanish "Mi tío tiene una granja." Everyone was joining in by the end!

Mason and Shane were brilliant bingo callers. The children had to listen out for the animal and then mark it off on their boards.

Ruby and Anna were great story tellers. They read the children Goldilocks in Spanish. Some of the children were even brave enough to have a go at reading themselves.
